IMPACT STORIES

A Successful Food Campaign

University students in Memville organized a food campaign via MealMitra, redistributing thousands of meals. John, an elderly beneficiary, received consistent, nutritious food, improving his health and lifting his spirits. The campaign highlighted MealMitra's impact on hunger through community collaboration.

A Community Saved from Hunger

In Greenville, a bakery's surplus goods reached Maria, a single mother, through MealMitra. The regular donations helped feed her children and save money, enabling her to start a home business. Maria now donates her own baked goods, completing the circle of generosity.

OUR MISSION

MealMitra is committed to fighting hunger by providing food donations to the elderly, children and those in need. Join us in making a difference, one meal at a time. Through our innovative and user-friendly platform, we aim to make food donation and distribution seamless, transparent, and impactful.
