## How We End Hunger

### Food Access

In 2023, our network distributed billions of meals through initiatives like mobile pantries and Kids Cafes, ensuring people in communities across India get the nourishment they need to thrive.

### Food Rescue

We collaborate with food companies and farmers to supply food banks with food that would otherwise go to waste. In 2022 alone, our network rescued 4 billion pounds of food and groceries, ensuring it reached those in need across India.

### Disaster Response

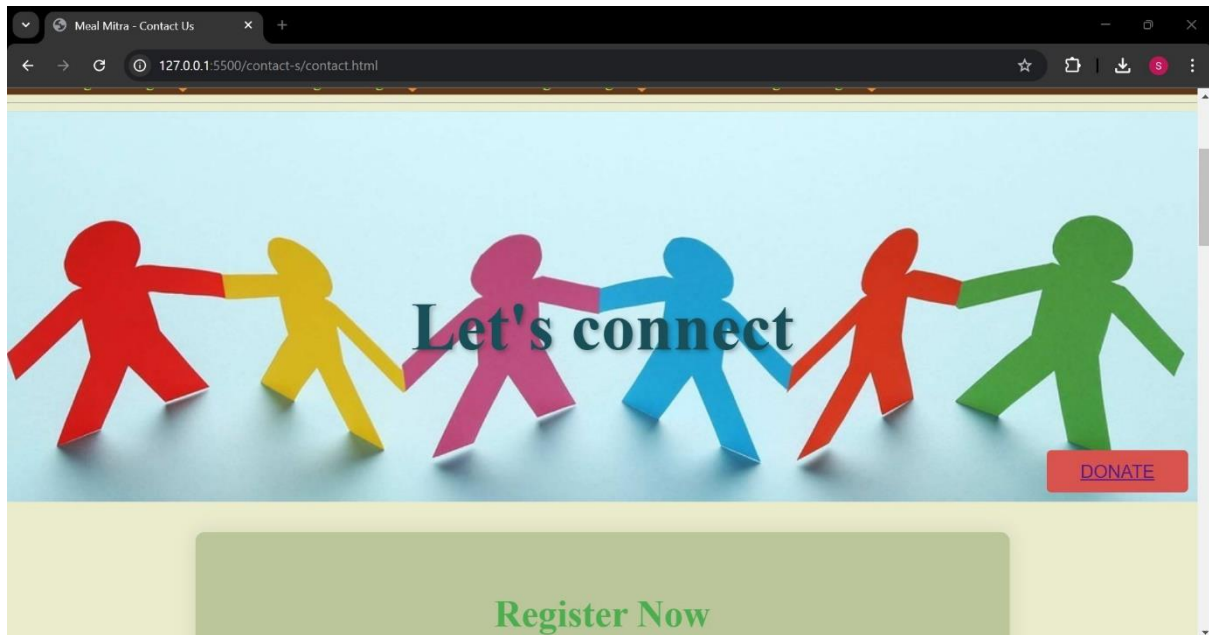

When disaster strikes, those facing food insecurity are often the hardest hit. As one of India's largest disaster relief organizations, we provide food and emergency assistance before, during, and after disasters to help communities recover.

### Human Research

To effectively end hunger, it's essential to understand the people and communities experiencing food insecurity. Every year, we conduct research, such as the Map the Meal Gap study, to gain insights into food insecurity across local communities in India.

# Contact us

A screenshot of the same web browser displaying the registration form on the 'Meal Mitra - Contact Us' page. The browser's address bar shows the same URL. The form is centered on the page and has a light green background. At the top of the form, it says 'Fill out the form below to register and join our mission to fight hunger.' Below this, there are five input fields stacked vertically: 'Your Name', 'Your Email', 'Username', 'Password', and 'Confirm Password'. Each field has a light green border and a small green icon on the right side. At the bottom of the form, there is a green button with the word 'Register' in white.
